Dear God, Thank You for hearing us when we pray to You. Help us remember that we can talk to You when we have hard things to do, and You will help us be brave. In Jesus' name. Amen.

#### Craft:

Give students the Abigail Helps paper, a piece of string and some cereal. Have students color the Abigail Helps paper. Once students are done coloring have them put the string through one hole on the paper. The students will then need to put the cereal onto the string. After students are done stringing the cereal have them put the second piece of string into the hole to come out of the back and tie it. Once students are done they will have a picture of Abigail giving David food.
